Quotation # 150203-10

Dear Randolph Wang,

Thank you for your interest in Keve Info System's Professional Services. We are a Systems Integrator and Innovation company primarily focusing on Customer Relationship Management (CRM) solutions.

Keve Info systems also represents xorcom in India and Select Gulf Countries (GCC).

Xorcom Products and Services:

Xorcom’s Asterisk IP-PBX Appliances come in three models, each of the following suits different size and combination installation:

- Small business VoIP PBX - XR1000 - supports up to 50 users
- Business VoIP PBX - XR2000 - supports up to 300 users
- Enterprise VoIP PBX - XR3000 - supports up to 1,000 users

Xorcom Astribank is a versatile and powerful channel bank that was specifically designed for the Asterisk IP-PBX. Astribank supports all the common telephony lines and trunks: FXS, FXO, BRI, PRI and R2. The Astribank driver is a part of the standard Asterisk distribution. With Xorcom Rapid Live CD™, a fully operational Asterisk server with pre-configured FXS, FXO, BRI, PRI and R2 ports can be up and working in less than 3 minutes.

Additionally, Xorcom designs and manufactures many add-on devices and equipments which completes the requirement of an end-to-end communications solution.
